SSE International Ltd Policy on REACH

European Directive EC.No.1907/2006 (Reach Regulations).

SSE International in response to the above regulations have identified from various sources substances which are included in the Candidate list of Substance of Very High Concern (SVHC) and have prepared a list Appendix 1 highlighting the items supplied by SSE International and the reasons for their exemption in Appendix 2.

The list of substances of very high concern (SVHC) are still being monitored by the European Chemical Agency (ECHA) We are therefore providing you with as much information as currently available. We will update this site with additional data as it becomes available.
