## SSE International Ltd. Statement on Compliance with the WEEE Regula- tions.

SSE International Ltd are Manufacturers of Butt Weld fittings for the Oil and Petrochemical Industry as such we do not Manufacture or Distribute Electronic Components. However as a business like most others SSE International Ltd does over a period of time accumulate obsolete and broken electronic equipment. The policy adopted is to store this equipment until there is sufficient to justify the collection by a recognised licensed Waste Disposal Company.

Records of any such disposal will be retained on file for a minimum of 10 years.

J. Wright  
Environmental Officer.
